Permits required for Kakadu National Park

If you wish to conduct research or any commercial activity in Kakadu National Park, or carry out certain recreational or other activities, you will require a permit to do so.

Activities must be consistent with the Kakadu National Park Management Plan.

Activities within the Park that require a permit under the EPBC Act include:

- commercial tours
- commercial filming and photography
- other commercial activities
- research
- camping outside the designated camping areas
- bushwalking (walking off a marked trail)
- other activities listed under Part 12 of the Regulations.

Application forms for permits and a more detailed list of activities requiring a permit under Part 12 of the EPBC Regulations are available from the Parks and Reserves Permits (http://www.deh.gov.au/epbc/permits/parks/index.html) web page.

If you are uncertain as to whether you will require a permit, contact staff at the park headquarters (http://www.deh.gov.au/parks/kakadu/contacts.html).
